10<sup>th</sup> May 2018

**Hull FC Magic Moments Programme – Friday June 8<sup>th</sup> 2018**

On behalf of Hull FC, we would like to invite all Swanland children, together with parents/carers, to take part in the 'Magic Moments' programme on Friday 8<sup>th</sup> June, pre-match. This includes a training session on the astro turf before the match followed by pre-match activities on the field (holding of flags/walk outs) before the first team players take to the field.

Tickets are at a reduced rate:

- £5 juniors
- £10 adults
- If you have a season ticket you can use this and won't need to purchase a ticket. (Please indicate on the form overleaf if you have one).

If you are interested please complete the order form overleaf and return it to school, together with your payment (cash only), by Friday 18<sup>th</sup> May at the latest. Hull FC will bring the tickets to school and we will pass them to your child before June 18<sup>th</sup>.

Please note there will not be any Swanland School staff at the event. Parents should stay with their children at all times, unless their child is chosen to go on the pitch, then your child will re-join you afterwards.

Children and parents should arrive at the AstroTurf pitches at KCOM Stadium for 6.00 pm. The training session will begin at 6.15pm. The training session will be led by the Hull FC Foundation coaches and a couple of players who will not be playing the fixture. Children should wear their Swanland PE kits with the School Logo (they can bring warmer clothes if necessary to change into as the match starts).

Thank you for your continued support, now and into the future.
