We would be very grateful for any offers of help with our current school projects:

- We are redesigning our school library and would be grateful for help from any joiners. Please arrange with the School Office to come into school to quote for the work.

We are always looking for anyone with a professional background, technical skills or who may simply wish to offer an 'extra pair of hands' for general projects. Work might include infrastructure repairs, replacement items, technical advice or 'person' power needed to help with the more unskilled jobs.

Thank you to everyone who helped with painting the playground games during the Easter Holidays.
The children are really enjoying them!
