Year 5 Enrichment Day – Thursday 21st June

Dear Parents and Carers

Hull Collegiate School have kindly invited our Year 5 children to join them for an enrichment day where the school will be turned in to a Harry Potter themed 'School of Wizardry'. The children will take part in various workshops and lessons which will include:

- Physics: Astronomy/telescopes
- History: History of Magic and Superstitions
- English: Creative Writing
- Sport: Quidditch
- Mathematics: Arithmancy
- Chemistry: Magic Potions
- Languages: Rhunes and Codes

The day begins at 8.45am so the children need to be in school for 8am to enable them to be registered. We are hoping to keep the cost free so would kindly appreciate it if some parents were able to offer lifts to and from Hull Collegiate. The school are also kindly providing a hot lunch for all children. Please note down any dietary requirements on the permission slip.

The day sounds like a wonderful opportunity and the children will also have the chance to see their Swanland friends once again.

Any questions, please do not hesitate to ask.

Yours sincerely

Miss Oxtoby
Assistant Head of School
