Chief Executive Officer

Dear Stakeholder

Upon creation, a Multi Academy Trust becomes an admissions authority; this means the trust is responsible for setting the admissions arrangements for the schools within its organisation.

When changes are proposed to admission arrangements, all admission authorities must consult on their admission arrangements (including any supplementary information form) that will apply for admission applications the following school year. Where the admission arrangements have not changed from the previous year there is no requirement to consult, subject to the requirement that admission authorities must consult on their admission arrangements at least once every 7 years, even if there have been no changes during that period.

Although there have been no changes to SET's admission arrangements – we now need to consult pursuant to the above paragraph which states that Admission Authorities must consult once every 7 years.
