Dear Parent/Carer

Meet and Greet for Parents

You are cordially invited to attend a meeting with all the staff in your children's year group. The meetings will take place online via Microsoft Teams. We do hope that you will be able to attend the meeting. If you are unable to attend live, we will be recording the session and will share this recording with you after the meeting.

During the online meeting, you will have an opportunity to meet the teachers and ask questions about how you might better support your child at home. If you have any questions that you wish to be addressed in the meeting, please send these to the teachers via Tapestry or Seesaw.

Below are the times and dates for each meeting, as well as a link to click on in order to join. We ask that participants mute their microphone upon entering the meeting and unmute if you have a question at the end. Please be aware the meeting is being recorded.
