Dear Parent/Carer

SPRING WALK 2020

This year, as we are not able to hold our usual Spring Walk fundraiser, we thought there might be another way we can raise money for local charities. We are suggesting a Spring Walk with a difference, where you use your daily exercise to **DO SOMETHING AMAZING!**

Do you want to take part in the Spring Walk with your family this year? You may be able to do this at some point over the half-term week, 25th to 31st May, but you can take part at any time to suit. You choose if you prefer to Run or Walk, pick your route and if you are going to do it in one day or over several days. Set a distance target for yourself or your team to achieve and invite friends, family and colleagues to sponsor you. We have attached a Sponsorship Form to help you.

You can log your mileage however you like. You could document your walk, send us some pictures on [the Swanland School PTA Facebook page](#) or on Twitter (@SwanlandPS) or share with your child's teacher on SeeSaw or Tapestry.

All money raised will go towards helping those in need during this challenging time and after the social distancing measures end and will be divided equally between our two chosen charities:

[The Trussell Trust](#) works to stop UK hunger and poverty. Their network of foodbanks provides emergency food and support to people in crisis.

[Dove House Hospice](#) who provide specialist care for people in our region with terminal illnesses.

Once you have completed your challenge, as we currently cannot accept cash, Swanland School PTA has offered use of their [Swanland School PTA Events page](#) where any monies can be donated online.

Please donate all monies raised by Friday 3rd July 2020.

Please note you should only take part in this activity if it is safe for you to do so and you are following Government social distancing rules.

Thank you for your continued support, now and into the future.

Yours sincerely
