Dear Parent/Carer

Peripatetic Music Tuition – VIOLIN – Year 4 Beginners

Swanland School has for many years received high quality musical instrument tuition from the East Riding Schools' Music Service. The school uses this Service to provide the children with an excellent opportunity to learn a musical instrument during their primary school years. Lessons are provided by highly experienced teachers who are very well known to the school, we know that we are incredibly lucky to have them teach your children. The lessons take place once a week, during school hours.

We have some places available for Year 4 beginners to learn the violin starting October 2018. If you would like your child to be given an audition, please complete the form overleaf and return to the school office as soon as possible. Further details will be provided should your child be successful.

There is a tuition charge of approximately £250 per year. Each child receives a minimum 30 lessons per year (in reality the number of lessons actually received is often higher). Whilst we recognise that this is a big commitment, we also recognise that it represents excellent value at around £8 a lesson, half the price of some private tutors. We very firmly believe that it is a brilliant opportunity to learn an instrument and therefore would be happy to discuss how we can make payments for the lesson attainable for all families.

It may also be necessary to pay to hire an instrument, currently £20 per term. (Beginners will not be charged a hire fee for the first term). Invoices are sent out 3 times a year, once per academic term.

Yours sincerely

Chris Huscroft
Executive Head Teacher

Hannah Stephenson
Head of School
