26th November 2021

Dear Parents and Carers,

As we draw closer to our Christmas events in school, we are now planning how these will run with certain restrictions in place. I am awaiting guidance on parents attending events and how these should be run. We will be writing to you again by the end of next week with regards to the school nativity (KS1) and the school carol service.

We are hoping to be able to have one parent per family at both the 9.30am performance and the 2.30pm performance. We are also hoping to allow parents to attend the carol service however, this will probably be restricted numbers. This is what we are hoping for and **NOT YET CONFIRMED**. We will confirm definite plans by the end of next week.

Thank you for your support and understanding as always.

Kind regards

Alison Oxtoby  
Headteacher
