5 October, 2021

Dear parents and carers,

Due to the number of COVID 19 cases in Class 4, it is necessary for extra precautions in school to be taken from now until the 15th October. This is currently just with Class 4.

Staggered Start and Finish Times

From Wednesday 6th October, please could the children in Class 4 arrive at the school gates at 8.45am. They will be let into school first. Please do not arrive before and allow the children to mix with other year groups. The children in Class 4 will then be leaving school at 3.25pm. We would please ask that Class 4 children leave the playground as soon as they are out of school. Any younger siblings will also leave at this time.

Break times

Class 4 will have a separate break time to the rest of school and at lunch time they will have their playtime away from other classes. In the lunch hall, classes already eat separately and have plenty of space so this will continue.

Face Masks

Staff will once again be asked to wear face masks in communal areas at school and when speaking with parents.

Visits in and out of school

We have had confirmation that the Bikeability can go ahead as planned for the children in Class 4 who have signed up. The course takes place outside and the trainers will be wearing suitable PPE. We are also hoping that Year 6 will be able to return to the 'Run with It' programme at the MKM Stadium next week but we will be contacting those parents who are supporting with lifts this week to confirm.

We are still awaiting confirmation about Class 4's swimming lesson from Beverley Leisure Centre. As soon as we have an answer, we will let you know if these lessons can continue as normal or if we will need to miss the next two sessions.

After school clubs

Where possible, after school clubs will take place either outside or in the Sports Hall so that children can be kept apart. If this is not possible, we will contact you separately to advise that your child may not be able to attend temporarily.

Robinwood Parent Meeting

This will now be held online using Microsoft Teams. This will take place at 4pm on Thursday 7th October. Please use the following link to access the meeting.

If you are unable to attend, please contact the office who will arrange sending the information home with your child.

We apologise for any inconvenience this may cause but in other schools it has been found that if the bubble system was not implemented quickly the number of cases have risen very sharply. Hopefully, these small steps will help to reduce the transmission of COVID 19 in our school.

Thank you for your continued support now and in the future.

Yours sincerely
