22nd April 2021

Dear Parent/Carer

KS1 Elmer Day Celebration – Friday 28th May 2021

Year 1 and 2 would usually work together throughout the year on shared projects and fun and exciting events. Owing to the restrictions in place, we have been unable to do this in the usual way this year. We are, therefore, planning to hold an Elmer Day for all pupils in KS1 (Years 1 and 2). The children will remain in their class bubbles but will have the opportunity to enjoy taking part in fun-filled activities throughout the day at the same time.

Elmer The Elephant is bright and colourful, making the world a much brighter place. During this special day we are hoping to promote positivity. We aim to complete activities across the classes to promote individuality and celebrate why we are all special and unique. During the day, everyone will have opportunities to complete a range of activities covering a range of curriculum areas based around the character, Elmer (including craft activities and activities linking to areas of RSHE). Work completed on the day will be displayed and shared across the bubbles so that the children in KS1 can celebrate and enjoy a shared experience.

To celebrate this fantastic day, the children are invited to wear bright coloured clothes to school (clothes and footwear need to be suitable to complete sports activities).

As part of the celebrations, the children will have a juice drink and a treat. (Rainbow Rice Crispie bun). Please let your class teacher know via Seesaw if you do not wish your child to have this treat.

The Year 1 and 2 teams are looking forward to celebrating this shared day together with the classes.

Thank you for your continued support.

Yours sincerely

Hannah Stephenson
Head Teacher

On behalf of Year 1 and 2
