13<sup>th</sup> July 2021

Dear parents and carers,

As you will no doubt have heard in the news, on the 19<sup>th</sup> July many restrictions will be lifted and we can regain a little more normality. Due to the current number of cases and the fact that we are now so close to the end of term, we will be keeping those restrictions in place at school until the end of the school term. We want everyone to have a great start to the school holidays and want to reduce any risk of cases wherever possible.

This will mean that Sports Day will still run at a reduced capacity, the children will remain in their bubbles, and we will maintain the current drop off and collection procedures.

As we do draw near to the end of term, we are hoping to give our Year 6 children some kind of small send off on the 22<sup>nd</sup> July. This will be a short morning assembly at the Sports Hall at 9.15am. Due to the requirement to keep bubbles separate and numbers inside limited, **we are only inviting those parents of Year 6 children**. Each child can have two adults to attend the assembly. Parents will need to remain in their seats which will be socially distanced. Please complete the link [here](#) to confirm your attendance at the assembly. This link will close at 9am on Wednesday 21<sup>st</sup> July.

We hope that you understand the decisions that have been made and we thank you for your continued support now and in the future. I will write to you once again with plans for September once these are finalised.

Kind regards

Alison Oxtoby  
Head Teacher
