Harvest Assembly

3rd October 2016

Dear Parents and Carers

We would like to invite you to our Harvest Assembly, Thursday 20th October at 2.00pm in the Sportshall.

Last year we asked for a donation of tinned food which we gave to the local Foodbank.

The symbolic giving of the food had quite an impact on the children and, as you were so generous, it was very well received. For that reason, we would like to do something similar this year.

We have contacted the Beverley Food Bank and this year we request that, if possible, you donate a small carrier bag of food. They are raising the awareness of hunger in the community and have put together a list of most needed items: a shopping list with essentials and a few treats. I have included the shopping list at the bottom of this letter but this is only a guideline so please feel free to donate what you can. Their Development Manager, Richard Newby, will be joining us to talk about his work and the impact your generosity has on those who are hungry!

Could the children please bring their donations either on the Thursday or, just a few days beforehand. There will be boxes near the reception door for any contributions.

Thank you for your continuing support, now and into the future.

Yours sincerely

Karen Markham
Head of School

COMBINED HARVEST APPEAL

WHO ARE THE TRUSSELL TRUST?

Last year Trussell Trust foodbanks provided three days' emergency food and support to more than 1 million people in crisis, including almost 400,000 children.

Frontline agencies like Citizens Advice and children's centres refer people who are facing crisis to their local foodbank.

As well as receiving a parcel of nutritionally balanced, long-life food, foodbank clients are listened to and signposted to services that can provide further support, helping to break the cycle of poverty.

Thank you for joining us to help stop UK hunger!

If you would like to help further, then please consider making a monetary Donation.

This would help to cover the costs of storing and distributing food, as well as help us develop sustainable projects.
