

FREE Heart Screenings by Cardiac Risk in the Young (Jamie Loncaster Memorial Fund)

Booking is now open for our **seventh** heart screening event taking place in October 2019.

October is also the month in which Jamie should have been celebrating his **18th Birthday**.

Jamie was **seemingly fit and healthy**, but died suddenly and unexpectedly from an undetected problem with his heart. He had **no prior history** of heart problems.

Jamie went to bed aged 13½, but tragically never woke up again.....

200 FREE Heart Screening places available
South Hunsley School & Sixth Form College

www.testmyheart.org.uk/book-appointment

(Scroll down to find South Hunsley)

Please remember that you must be aged 14 – 35.

Saturday 5th / Sunday 6th October 2019

Please only book if you will be free to attend on the day.

*These valuable places are **FREE** to book, but will be charged to **Jamie's Fund at CRY**.*

The attached letter from **Cardiac Risk in the Young** gives more detail about the screening sessions.
To date, Jamie's Fund has screened 1,220 young people and 36 have been referred.

Thank you

Graham, Jenny and Ross Loncaster
