2nd July 2020

Dear parents and carers of children in current years 2, 3, 4 and 5,

Further to your interest in your child attending school on the 10th July, I would now like to share with you the details.

In the morning, I would like to invite Years 2 and 3 from 10–11.30am to spend time with Mrs Barrick and the Class 3 staff. In the afternoon, I would like to invite Years 4 and 5 from 1.30–3pm to spend time with Mr Ward and the Class 4 staff. Children will be in bubbles of no more than 15 children.

Both sessions will take place outside so that children will only access the school building to use the toilets which will have been cleaned since the previous day's children were in school. If the weather is torrential rain, unfortunately the day will have to be cancelled but if the weather is just a little damp or cold, the day will still go ahead so please ensure that your children are dressed appropriately.

It is imperative that we maintain social distancing when dropping off and collecting the children so please use the black middle gates to enter the front of the school. Here you will see yellow crosses which the children should line up on and wait for their teacher to collect them. Parents should then leave via the main gate. At collection time, parents should follow the same protocol. Please ensure that you arrive no more than 5 minutes before drop off and collection time.

We look forward to seeing the children in school.

Any further questions, please do not hesitate to ask. Thank you for your continued support now and in the future.

Kind regards

A handwritten signature in black ink, appearing to read 'A Oxtoby'.

Miss Oxtoby
Head of School
