4th April 2019

Dear Parent/Carer

Maths Revision

In preparation for the SATs (Monday 13th May to Thursday 16th May), we will be lending each of the Year 6 children a copy of Usborne's 'Junior Illustrated Maths Dictionary' to aid in revision.

This is an expensive text book so we will be asking the children to take good care of them and return them to school immediately afterwards (week commencing 20th May 2019). The books were numbered so that we could keep track of them.

Should the book be lost we will have to ask parents to replace the book or reimburse the school the original cost, ie £9.99.

Thank you for your support.

Yours sincerely

Miss Green and Mrs Neal
Year 6 Class Teachers
