

Maths Tutor

My name is Melanie Moore and I have over 30 years experience of teaching across the primary age range. Usually I can offer an hour's tuition at your home but in present circumstances I am skyping sessions. Two half hourly slots seem to work best: one half concentrating on arithmetic and reasoning about number, the second problem solving and new learning.

I charge £20 an hour, if you are interested please contact me on 07584165462, 01482 860199 or email me on melaniejanemoore@hotmail.co.uk
