8 September, 2021

Dear parents and carers,

As you may already be aware, we have a **No Nut Policy** for children in school. From September, the whole school will become completely nut free and we are asking that you ensure that any lunch provided for children is **fully nut free**. We have children in school who can have severe reactions to nuts and it is imperative that they are not brought into school at all.

To support this, if children would like a morning snack, we are asking that they bring fruit **ONLY**. Key Stage One children are provided with a piece of fruit or vegetable on a daily basis as part of the Healthy School government initiative so there will be no need for children in Reception, Year 1 or Year 2 to bring anything. Children in Key Stage Two are encouraged to bring a piece of fruit to enjoy.

May I also take this opportunity to remind you of our no chocolate policy in school. If children have a chocolate or nut product in their packed lunch, this will be removed and passed back to the parent or carer at the end of the day.

We hope that you understand and support the school in ensuring that we adhere very closely to this expectation.

Thank you, as always, for your continued support now and in the future.

Yours sincerely

Alison Oxtoby
Head Teacher
