Dear Parents and Carers,

PARENTS' NEWSLETTER

As the current situation continues, we hope that everyone is well, keeping safe and coping during this difficult time. Please remember that you can contact school via the telephone or on the office email address (office@dunswellacademy.co.uk) or use Seesaw and Tapestry to contact your child's teacher.

Home to school learning

School work continues to be placed on the school website for all classes. If you have any questions about home learning, please contact your child's class teacher on Seesaw or Tapestry.

Please don't worry that you are not doing enough or that there is too much work. Choose what is suited to your own personal circumstances at home.

PTA

The school relies upon the monies which the PTA raise every year and it is very difficult now that many events and activities planned are not able to take place. However, our wonderful PTA have still been working hard to raise funds for school during this difficult time. They have made sweet hampers which are delivered directly to your door. The picture below shows an example of all the wonderful things you will receive for just £10. It would be great for parents to continue to show their support for the school by purchasing one of these great hampers. Please contact Simone Mendoza via a text on 07776000117 who will arrange delivery and explain how payment can be made.

Year 2, 3, 4 and 5

As you may have seen in the news, the Government have made a U-turn on the decision to return all primary school children to school for the final month of the school year. Following the guidance, school has in place social distancing and small class sizes to allow the school to run as safely as possible. This does however mean that school does not have the space for more children and so it is highly unlikely that these year groups will return before September. We feel very disappointed that this is the decision, but we are dictated by the guidance. Myself and the class teachers are discussing how we can get some contact between these year groups and your class teachers will be in touch soon with some ideas.

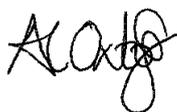

Parent Pay

Please could all parents check their Parent Pay accounts and pay any outstanding balances as soon as possible.

We strongly recognise the part which parents play in their child's education. We can work together as a partnership to ensure that we all promote high standards of learning, behaviour and attitudes towards school so that all children can be the very best.

Please take care and stay safe.

Yours sincerely
