PARENTS' NEWSLETTER

School Uniform

As we head towards the Summer break, I would just like to remind parents that the expectations of wearing the correct uniform and PE kit remain as high as ever. I have noticed recently a number of children who are not always wearing the correct uniform but children are particularly not wearing the correct PE kit. Please click [here](#) to see the uniform expectations if you are unsure.

Parent Teacher Association (PTA)

We are very fortunate at Dunswell to have a wonderful PTA team who have undertaken their roles fantastically for a number of years. The PTA play a key part in raising vital funds for the school.

Our chair, Simone, has run the PTA successfully and is now ready to step down from the role. We are therefore looking for a new chair but also some new PTA members. Without a chair, we will be unable to run a PTA for the school. The committee meet to discuss and arrange events. It would be great to have some new members with more great fundraising ideas. Please speak to me or a member of the PTA for more information.

Remote learning

Our plan for teaching remotely can be found on our website. Click [here](#) to take you directly to the web page. This contingency plan will be utilised if children have to self-isolate from school or if a full class bubble has to close.

Twitter

As a school, we are actively using Twitter more to share what we do as a school and celebrate the children, their work and the creative curriculum. If you use Twitter, please follow us and share any fantastic achievements of children outside of school! @DunswellAcademy #community

Virtual School Library

Oak National Academy are continuing to offer free reading and writing activities every week to children and parents. These are available online and an excellent resource. Every week a different author is the focus with Simon Mugford being this week's authors. Please click [here](#) to go directly to the page

Dunswell's 100 Club

It is not too late to join the Dunswell 100 club – you've got to be in it to win it!!

This month's winner is Mrs Busby with number 3!

Be in with a chance of winning as well as supporting the school to raise vital funds.

Mental Health and Well-Being

The Government has provided a comprehensive list of tools and links to support parents at home with their child's mental health and well-being. Click [here](#) to see the resources and links available.

We also continue to regularly update the Health and Well-being section of the website. More information has once again been added this week.
