PARENTS' NEWSLETTER

Dear Parent/Carer

Home Learning

Home Learning Packs will be sent out on a Friday afternoon now. We have arranged for all the work to be ready for Friday lunch time and for a member of office staff to be in school on a Friday afternoon to prepare the packs, upload the work to the website and send it out. Hopefully, receiving this before the weekend will help with any preparations for the following week. Again, please do not worry that you are getting too much; only pick out the bits that are suited to you. Any questions, please do get in touch with your child's teacher using SeeSaw or Tapestry.

Cyber Security Alerts

We are sending out to you two documents received from Humberside Police Cyber Security Unit that may be useful to students and families who might be using Zoom to communicate – one entitled The 'Zoom Bomb' Phenomenon and one giving details of a Fake Online Coronavirus Map.

To keep up to date, keep an eye on Twitter **HP_Cyber** or Facebook **Humberbeat cybercrime**.

Refunds are being processed and ParentPay is being updated in respect of the numerous activities, trips, music lessons and residentials that have had to be cancelled. We appreciate your patience with this.

Thank you for your continued support, now and into the future.

Yours sincerely
