

6th May 2021

Dear Parent/Carer

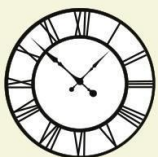

PTA Online Family Quiz Night – Friday 21st May 2021 at 7.00–8.30 pm (approx.)

Following the success of the last family quiz, on Friday 21st May, the PTA will be hosting an Online Family Quiz Night via Microsoft Teams! The Quiz will take place through Kahoot. Kahoot can be accessed through your browser or an App on your phone, tablet or computer, so you may wish to use two devices, one for the Teams meeting and one for the Kahoot quiz.

Parents, friends, and family are all welcome! We will start at 7.00 pm and it is expected that the evening will finish around 8.30 pm.

Entry is by ticket only and tickets (£5.00 for a family) are available via [PTA Events](#). **Sales will close at midday on Friday 21st May.** This event sold out last time, so don't delay as there are only 50 tickets available. Once ticket sales have closed, you will be sent login details for the Teams Meeting to the email address you have provided.

Just before 7.00 pm, you will be let into the meeting. At 7.00 pm, you will be provided with a PIN code to access the Kahoot Quiz. You will need to have Kahoot open, either in the App or through your Browser and you may wish to have this on a separate device to the Teams meeting. When the PIN code is provided, you will enter this number and the quiz will start. Kahoot adds up your score and tells us an overall winner at the end! If you arrive late to the meeting, you will miss the first part and we will be unable to go back – so please don't be late!

The Clock

There will be cash prizes for the quiz winners, 2nd and 3rd place and a bonus prize of a Hamper courtesy of [The Clock Face Pantry](#) in North Ferriby!

Please support this fun, family night “in”, with proceeds going towards new technology for the school – something that has been invaluable in current circumstances.

We hope this will be a fun and well-attended event, bringing our school community together. So, get your snacks and drinks at the ready!

Yours sincerely

Swanland School PTA
