Dear Parents and Carers,

I hope you all had a restful Easter break and welcome to the summer term!

We've all had to adapt to new ways of working, so I wanted to take the opportunity to say what an amazing job you're doing supporting your child's wellbeing and learning during this time.

It's definitely been a strange and challenging time, so it's ok if you and your child feel wobbly and worried at the moment. We're here to support you as we all figure this all out together. Remember, if you have any concerns about helping your child learn or you need any other support from the school; please let us know by contacting your class teacher on Tapestry or Seesaw if your question relates to learning or by phoning or emailing the school office.

We miss the children very much, but we must follow the government's guidance to keep everyone in our community safe. So, we're carrying on with setting work via the school website with children using their learning books to record their work. Teachers or the school may also send additional ideas or suggestions. It is important that children continue with the basics such as reading, math skills and writing.

We also love seeing the children's fantastic learning at home – please keep sending their work in via Tapestry or Seesaw.

We can't say yet when we'll be able to open the school fully, but rest assured that we'll continue doing our utmost to keep your children learning and our school community connected.

Yours sincerely,

Alison Oxtoby
Head of School
