Dear Parent/Carer

We are pleased to be able to run this term's Parents' Evening via Microsoft Teams.

If you have made an appointment for Parents' Evening, using the Sign-Up Genius link, you will be able to join your child's teacher on Microsoft Teams at the designated times. You should be able to access this through your web browser or through your child's Microsoft Teams log in that was provided earlier this term. You may wish to check you are able to do this before your appointment.

Please log into the correct meeting (link below) a couple of minutes before your appointment. The teacher will then finish the previous appointment and let you in at your allocated time. Meetings will not be able to overrun and so the teacher will let you know when there is only a minute left so that the meeting can be drawn to a close.

If you have any questions or queries about this, please do not hesitate to get in touch with your child's teacher via SeeSaw or Tapestry.
