PARENTS' NEWSLETTER

Welcome back! I hope that you all had a lovely festive break and you managed to enjoy some quality time with family and friends. The holidays already seem like a distant memory and your children have, as always, settled back in to their routines quickly. They are working hard on their new topics and their teachers have many exciting and interesting experiences planned for them throughout the next term. We look forward to working closely with you all once again to ensure that your children get the very best time out of their education.

Parent View

We would really appreciate hearing about your views on our school. The Ofsted website has a parent survey which they will use to help arrive at an overall judgement about our school, if and when they inspect us. I would therefore be grateful if you could take 5 minutes to complete the very simple online questionnaire for our school. This not only helps Ofsted to make judgements about our school, but also helps us to ensure that we are doing the best we can. The link is provided here (<https://parentview.ofsted.gov.uk/login?destination=give-your-views>) and also on the parents' section under useful links on the school's website.

New Website

Please visit our new website www.swanlandeducationtrust.co.uk where you will find our latest news, class pages, a calendar of school events, school letters, after-school clubs and much more.

Thank you for your continuing support, now and into the future.

Yours sincerely

Chris Huscroft

Executive Head Teacher
