5<sup>th</sup> January 2021

Dear Parent/Carer (Reception)

Below are details of how the teachers in your child's year group will provide remote and online learning. Please note that the children in school will be accessing the same resources. The key worker children in school will now be in year group bubbles and we will continue with staggered start and end times as before Christmas, although this may be reviewed in due course.

Some teachers are providing packs of resources that you can pick up from outside the main entrance to the school. Please check SeeSaw for more information on how to pick these up and please ensure you take the correct pack for your child.

The provision for online learning may change as we work out what works well for each class. Online sessions are through your child's Microsoft Teams account.

Please see daily home learning on our school website. This provides full details of the phonics, maths and topic activities.

For Reception the proposed timetable is as follows:

8.30 am A phonics video will be posted from your class teacher which is differentiated for each group. Your child should watch and complete the handwriting sheets which will be provided. Your child will also require a white board, pen and rubber for this activity, which will also be provided.

Children should use the morning to complete the phonics video, the phonics challenge and daily handwriting session. They should also attend their group's morning check-in session if possible.

9.00 am Team check-in – invitations have been sent for your child to attend one of the four morning check-in meetings at 9.00, 9.30, 10.00 and 11.00 am.

9.30 am

10.00 am This is an opportunity for parents and children to meet with the class teacher to discuss the daily activities and answer any questions.

10.30 am Assembly Monday and Friday

11.00 am Morning team check-in – final group

Afternoon Teachers will be giving individual feedback to work posted on Tapestry. We look forward to sharing your homework.

Uploading of next day's videos.

Children should complete mathematics activity and topic-based challenge, which is detailed in the weekly online home learning plan on the school website.

3.00 pm Whole class Story/Circle Time and afternoon check-in.

*NB Any Teams meetings that your child is invited to will be found in their Microsoft Teams calendar.*

### Reading Books

At the moment we are unable to send home reading books. Please use: [oxfordowl.co.uk](http://oxfordowl.co.uk)

User Name: SwanlandHM Password: SwanlandHM

Click on ebooks and select a book to share together.

### Phonics

For Phonics play, go to: [phonicsplay.co.uk](http://phonicsplay.co.uk), who also provide super reading games.

Username: SwanlandPS Password: lion123

When your child has completed their work, you can send the teacher photos of the work and also ask any questions via Tapestry.

If you have any questions at all, please get in touch with your child's class teacher via Tapestry.

Yours sincerely

Hannah Stephenson

Head Teacher
