Dear Parents and Carers

Last year Year 6 pupils attended the 'Run with it' programme for 8 weeks at the KCOM Stadium. The course gave the children the opportunity to undertake literacy and numeracy skills within the stadium. The programme itself is provided by sponsors and there will be a nominal cost per pupil to cover transport costs only. A letter re costs will be sent shortly.

We thankfully had the support from parents last year with offers of transport each week for which they were remunerated for their mileage costs. This worked well as a mini bus every week proved too costly. I'm therefore looking for parents who are willing to help out on a Monday afternoon from 1 pm to 3.30 pm. This would be to transport the children to the stadium and then return them to school after the session. Even just one session's support would be very much appreciated. I will put a timetable together once I know who is able to support us.

If you can offer any help, please tick the date below along with the number of seats which you can provide. It would be wonderful to take the children again and your support would be very much appreciated.

Yours sincerely

Miss Alison Oxtoby  
Head of School
