Dear Parents and Carers

In previous years, Year 6 pupils have attended the 'Run with it' programme for 10 weeks at the KCOM Stadium. The course gives the children the opportunity to undertake literacy and numeracy skills within the stadium. We have been lucky to be offered this experience once again and would love the children to experience the activities involved in the excellent setting. The programme itself is provided by sponsors and there will be a nominal cost per pupil to cover transport costs only. The cost for the 10 weeks will be £16 per child and this will be on Parentpay by Friday.

We thankfully had the support from parents previously, with offer of transport each week for which they were remunerated for their mileage costs. This worked well as a mini bus every week proved too costly. I'm therefore looking for parents who are willing to help on a Monday afternoon from 1pm to 3.30pm. This would be to transport the children to the stadium and then return them to school after the session. Even just one session's support would be very much appreciated. I will put a timetable together once I know who is able to support us.

If you can offer any help, please tick the date below along with the number of seats which you can provide. It would be wonderful to take the children again and your support would be very much appreciated.

Yours sincerely

Alison Oxtoby
