Dear parents/carers of Year 6 children,

We have a fantastic opportunity to purchase some SATs revision books which can be used at school and home. The books are written by Collins and will provide practice questions for children in the key areas for their SATs test. There are four books available to support reading, grammar, punctuation and spelling, maths reasoning and maths arithmetic.

The usual cost of the books is £4.99 per book but as a school we are able to offer all the books at £1.50 each which is a great price for this fantastic resource. After half term, the children will begin revision for the SATs and these books will support their learning at home and in school.

If you are interested in purchasing these books, please complete the form below and return to school. Once the form is returned, the cost will be added to ParentPay and the books can be ordered. Please return the slips by the 24<sup>th</sup> January so that we can order the books as soon as payment is received.

If you wish to look through the books, we have a copy in school. Please pop in to see me.

Kind regards

Mr Ward

Class 4 teacher
