8<sup>th</sup> January 2020

Dear Parents and Carers,

We understand that a lot of children may have received electronic devices for Christmas which enables them to access the Internet and Social Media Apps. It has been brought to my attention that some children in school are accessing apps which are not age appropriate and I would like to make you, as parents, aware. Many apps which are available have a recommended minimum age of 13 years old, but ages are not always monitored by the app providers. It is recommended that parents should monitor their children's use of apps carefully.

Please visit our website for information and advice on e-safety, appropriate usage and how to help protect your child when he or she is using the Internet, Social Media or Apps.

Thank you for your continuing support, now and into the future.

Yours sincerely

Miss Alison Oxtoby  
Head of School
