

## Percussion lessons available Tuesdays

Do you love Music?

Would you like to learn to play a variety of musical instruments in a small group?

There are a small number of spaces to be filled on a Tuesday morning.

Percussion is any musical instrument that you hit or strike to make a sound.

We use Djembes (African Drums,)

Xylophones (wooden notes played with a mallet or beater)

Glockenspiels (metal notes played with a mallet or beater)

Piano and Keyboard

Tambourines, small drums etc.

You'll learn to play a range of music, playing together in a small group with the chance to perform at school music concerts, as well as learning to read music notation.
