In the interests of health, security and particularly safety, the wearing of any sort of jewellery by children in school, is strongly discouraged. On no account may jewellery be worn during sports activities. Only small, plain silver or gold stud earings may be worn for school. Please teach your child how to remove their studs for PE. Children with newly pierced ears must cover their studs with ‘micropore’ tape to prevent them being caught. Please provide your child with the necessary tape on PE and Games days. Children with long hair will be required to tie it back during PE/Games/Swimming activities.

Nail varnish is not permitted as part of school uniform and children will consequently be asked to remove it at their earliest convenience.

All these recommendations are made in the best interests of the welfare of your children during their stay at Swanland School. I hope you will support the staff in implementing them. PTO
