13th May 2021

Dear Parents and Carers,

As many of you will be aware, on Monday 17th May, the Government will take the next steps on their roadmap to recovery from the most recent lockdown. However, the changes will have no immediate impact on the way which school will operate.

Children will remain in their class bubbles inside school and their key stage bubbles during break times. This is to ensure that if we have a positive case in school, it will only have a small impact on the number of children and staff it will affect.

Staff will continue to wear masks in communal areas, and we encourage parents to wear masks at drop off and collection times.

Term time holidays will not be granted unless parents and carers can evidence why they believe the circumstances to be exceptional. Please ensure that holiday forms are completed with sufficient time for school to process them.

Please continue to ensure that if your child or anyone in the family home displays symptoms, that you remain at home until a test has been administered and the results received.

As always, thank you for your continued support.

Kind regards

Alison Oxtoby
Head Teacher
