5<sup>th</sup> January 2021

Dear Parent/Carer (Year 1)

Below are details of how the teachers in your child's year group will provide remote and online learning. Please note the children in school will be accessing the same resources. The key worker children in school will now be in year group bubbles and we will continue with staggered start and end times as before Christmas, although this may be reviewed in due course.

Some teachers are providing packs of resources that you can pick up from outside the main entrance to the school. Please check SeeSaw for more information on how to pick these up and please ensure you take the correct pack for your child.

The provision for online learning may change as we work out what works well for each class. Online sessions are through your child's Microsoft Teams account.

Please see daily home learning on school website. This provides full details of the phonics, maths and topic activities.

For Year 1, the proposed timetable is as follows:

8.30 am	Topic Videos will be made available via SeeSaw
9.30 am	Check In- Group 1 on Microsoft Teams
10.00 am	Check In- Group 2 on Microsoft Teams
10.45 am	Check In- Group 3 on Microsoft Teams
11.15 am	Check In- Group 4 on Microsoft Teams
Afternoon	Children will work on given task and correspond with children via See Saw
3.00 pm	Story Time on Microsoft Teams

*NB Any Teams meetings that your child is invited to will be found in their Microsoft Teams calendar.*

When your child has completed work, you can send the teacher photos of the work and also ask any questions via SeeSaw.

If you have any questions at all, please get in touch with your child's class teacher via SeeSaw.

Yours sincerely

Hannah Stephenson  
Head Teacher
