15th November 2018

Dear Parents and Carers (Year 1 classes)

Year 1 Newsletter – November/December

This half-term our theme is 'Animals'. For **Show and Tell** we will be asking the children to talk about their own pet or their favourite animal. They will be able to bring in any special photographs to help them as they talk. Please could you support your child in preparing a few simple sentences for them to say. These may include:

- where and when they got their pet;
- how they help/would help to look after it;
- what the pet eats;
- any interesting facts about the animal.

We will be focusing on the children's ability to speak with confidence to the rest of the class. Please see the timetable for your child's week for **Show and Tell**. Please be prepared for the Monday of that week but **be aware that their Show and Tell could be at any point during that week.**

Mrs Sivarajan/Mrs Jenkinson 1JS/EJ

Reminder:

As the weather gets colder, we do still try to go outside as much as possible so please make sure your child has trainers and a navy tracksuit for PE and a coat to wear at playtimes.

As it is drawing near to Christmas, we would be grateful to receive any unwanted decorations, gift tags, cards, wrapping paper etc to use in the classroom.

Thank you for your continued support and co-operation

Yours sincerely

Chris Huscroft
Executive Head Teacher

Hannah Stephenson
Head of School

On behalf of the Year 1 Team
