24<sup>th</sup> June 2021

Dear Parent/Carer (Year 1)

Year 1 – Space Virtual Reality Day – Thursday 1<sup>st</sup> July 2021

On Thursday 1<sup>st</sup> July, to compliment our learning about Space, each Year 1 class will be having a 1-hour virtual reality workshop. **Every child will become an astronaut!**

Virtual Reality transports you to places you cannot easily visit. The whole class simultaneously blasts off into space, piloting their research vessels around planets and moons, learning about the solar system.

A voluntary contribution of **£7.13 per child** to help cover the cost of the day would be gratefully received. This is now available on the [ParentPay](#) website for you to pay online in the usual way. **As you are now able to give consent on [ParentPay](#) you no longer need to return a paper permission slip to school.** Should you require a paper permission slip, please contact the School Office.

As I am sure you can appreciate, the visit would not be economically viable and therefore could not take place should these contributions fail to materialise. However, our policy is that no student should be discriminated against by virtue of their inability to pay. Parents in receipt of Income Support or a similar benefit should contact us in the knowledge that the matter will be dealt with in the strictest confidence.

Should you wish your child to take part, please log onto [ParentPay](#) and give your consent/make payment **by Monday 28<sup>th</sup> June 2021.**

Thank you for your continued support.

Yours sincerely

Hannah Stephenson  
Head Teacher

On behalf of Year 1
