Dear Parent/Carer (Year 3)

Below are details of how the teachers in your child's year group will provide remote and online learning. Please note that the children in school will be accessing the same resources. The key worker children in school will now be in Year group bubbles and we will continue with staggered start and end times as before Christmas, although this may be reviewed in due course.

Some teachers are providing packs of resources that you can pick up from outside the main entrance to the school. Please check SeeSaw for more information on how to pick these up and please ensure you take the correct pack for your child.

The provision for online learning may change as we work out what works well for each class. Online sessions are through your child's Microsoft Teams account.

For Year 3 the proposed timetable is as follows:

9.30 am–10.15 am – Microsoft Teams Session – Numeracy

10.45 am– 11.00 am – Assembly on Tuesday, Wednesday and Thursday – 10.30 am on Monday and Friday

11.00 am–12.00 pm – Microsoft Teams Session – Literacy

1.30 pm–2.45 pm – Independent activity from the home learning grid

2.45 pm–3.15 pm – Microsoft Teams – story/check-in

NB Any Teams meetings that your child is invited to will be in their Microsoft Teams calendar.

When your child has completed their work, you can send the teacher photos of the work and also ask any questions via SeeSaw.

If you have any questions at all, please get in touch with your child's class teacher via SeeSaw.

Yours sincerely

Hannah Stephenson
Head Teacher
