5th January 2021

Dear Parent/Carer (Year 4)

Below are details of how the teachers in your child's year group will provide remote and online learning. Please note that the children in school will be accessing the same resources. The key worker children in school will now be in Year group bubbles and we will continue with staggered start and end times as before Christmas, although this may be reviewed in due course.

Some teachers are providing packs of resources that you can pick up from outside the main entrance to the school. Please check SeeSaw for more information on how to pick these up and please ensure you take the correct pack for your child.

The provision for online learning may change as we work out what works well for each class. Online sessions are through your child's Microsoft Teams account.

Please see daily home learning on our school website. This provides full details of the phonics, maths and topic activities.

For Year 4, the proposed timetable is as follows:

Please practise your Spellings and Tables every day and test on a Wednesday. More details about this will follow from your teacher.

Online morning session:

This will introduce the Literacy and Numeracy activities for the day, which the children will then access and complete independently.

9.00 am		4MR Yellow group
9.20 am	4KC Green group	4MR Blue group
9.40 am	4KC Red group	4MR Purple group

Online afternoon session:

This will check-in with the learning from the morning's sessions and set the Topic for the afternoon.

1.00 pm	4KC Green group	4MR Yellow group
1.20 pm	4KC Red group	4MR Blue group
1.40 pm		4MR Purple group

There will be assemblies at 10.30 am on Monday and Friday mornings.

NB Any Teams meetings that your child is invited to will be in their Microsoft Teams calendar.

When your child has completed their work, you can send the teacher photos of the work and also ask any questions via **SeeSaw**.

If you have any questions at all, please get in touch with your child's class teacher via **SeeSaw**.

Yours sincerely

Hannah Stephenson
Head Teacher
