Please find attached information and a consent form for Year 5 Practical Bikeability Training run by the East Riding of Yorkshire Council. Training which will take place in spring/summer 2019; the training date will be confirmed nearer the time.

This is a two day practical course of instruction (8 hours in total) with the first two hours being conducted on the playground, incorporating a basic cycle check, with the following six hours conducted in a live, on road, environment. The children will be instructed in small groups.

Should you wish your child to take part in the cycle training programme please return the parental consent form overleaf, to the school office, by **MONDAY 5TH NOVEMBER 2018**.

If no form has been received by **MONDAY 5TH NOVEMBER** your child will be unable to participate in the training.

Please do not send payment at this stage, just the consent slip. There will be a charge of **£15 per pupil** which will be payable on ParentPay once we have received your consent form and confirmed the booking.

Thank you for your continuing support, now and into the future.

Yours sincerely
