8th July 2021

Dear Parent/Carer (Year 5)

Year 5 – Run with It – Tuesday 24th August (5RC) and Wednesday 25th August (5DR)

We have been given the opportunity for a group of children to take part in a summer school programme from 'Run with It' at KCOM Stadium, to develop literacy and numeracy skills outside the classroom. This summer school opportunity is for one day in the summer holidays. The children are invited to take part in the activities at the KCOM Stadium with the team; a member of school staff will also be present.

The children will have the opportunity to use the KCOM Stadium to develop their skills in a real-life environment. The day's programme will be fun, challenging and exciting!

Parents would need to arrange transport for their child to and from the KCOM Stadium and would be met, in the car park, by a member of school staff, who will take them to the allocated area. Approximate timings for the day are 10.00 am until 2.00 pm.

There would be no cost to parents for this programme.

There are 20 places per class to allocate and this will be on a first-come, first-served basis.

The dates for the programme are Tuesday 24th August (5RC) and Wednesday 25th August (5DR).

Please respond using [this link](#) to express your interest. **The link will open at 8.00 pm tonight, Thursday 8th July and close at 9.00 am on Wednesday 14th July.** School will then send additional information to those people who have been successful.

Thank you for your continued support.

Yours sincerely

Hannah Stephenson
Head Teacher
