Dear parents and carers of year 6 children

Following on from last week's letter, I wanted to update you with regards to the year 6 children returning. I have been closely watching the numbers of key worker children and I'm so pleased to say that we can now return the year 6 children from Monday 29th June.

The year 6 'Orange Bubble' will be open Monday to Thursday. Please ensure that you carefully adhere to the arrival and collection times below:

Arrive: 9.15 to 9.20 am (into school at 9.20am)

Collection: 3.20 pm.

If your year 6 child requires key worker provision on a Friday, they will have to be placed in the key worker bubble as children are unable to swap over bubbles throughout the week. Should you have children in two separate bubbles, you will have to attend school for drop off and collection at the allocated times for both bubbles. We are unable to accept children outside of their allocated drop off time.

A small number of year 6 children stated that they would not be returning to school this academic year. If this has changed at all, please email the office ASAP as places in the bubble are limited. Please could you complete the following requirements for next week by completing the following link:

Please be aware that should key workers numbers increase and more key working parents require child care provision, we may have to ask the year 6 children to stop attending as we have to adhere to all government guidance which includes social distancing measures and limited class sizes.

I'm so pleased that we are able to have year 6 back in school for at least a short period of time. Please share the letter for the children with them to prepare them for returning to school.

Kind regards and many thanks for your continued support at this very difficult time.

Yours sincerely
