25th October 2018

Dear Parent/Carer

Year 6 Hull 'STEM' Activity Day at Hull Collegiate – Thursday 22nd November 2018

Year 6 children have been invited to Hull Collegiate School on **Thursday 22nd November** to take part in a **STEM** (Science, Technology, Engineering, and Mathematics) day.

The day will provide an opportunity for children to participate in activities which do not usually feature as part of the normal school curriculum.

Children should arrive wearing their school uniform. Please ensure that they take their usual writing equipment.

A packed lunch and a drink of water are required (no glass bottles please).

A small voluntary contribution of **£2.30 per child** towards the cost of transport would be gratefully received. This trip is now available on the ParentPay website for you to pay online in the usual way **by Friday 9th November 2018**. As you are now able to give consent on ParentPay you no longer need to return a paper permission slip to school. Should you require a paper permission slip, please contact the school office.

As we are sure you can appreciate, the visit would not be economically viable and therefore could not take place should these donations fail to materialise. However, our policy is that no student should be discriminated against by virtue of their inability to pay. Parents in receipt of Income Support or a similar benefit should contact us in the knowledge that the matter will be dealt with in the strictest confidence.

Thank you for your continuing support, now and into the future.

Yours sincerely

Chris Huscroft
Executive Head Teacher

Hannah Stephenson
Head of School

On behalf of the Year 6 Team
