

Welcome to my little bookshop

Reading Swans!

Hi,
I'm Rachel Preston and I've been teaching at Swanland for 19 years. I've recently opened my own Usborne children's bookshop called Reading Swans. I am a small, local business trying to spread a love of reading.

I can provide recommendations for any age of child, offer school bundles and preschool bundles, provide a collection of Christmas books and activities for Christmas Eve boxes or gifts, create baby shower book bundles, order gifts for your young friends and family and lots lots more. I also live just on West Garth in Little Weighton so you would be supporting a local business!

I have access to over 3000 Usborne books, puzzles, flashcard sets and activities suitable from birth to young adult so there is something for every child. I also get early access to new releases and special offers each month before anyone else.

You can browse our full collection on my website:
https://org.usbornebooksathome.co.uk/reading_swans/

Any orders made from Swanland School parents will also earn free books for the school. If you would like any recommendations or see anything you would like to order, then please get in touch. I can't wait to hear from you! I can deliver any local orders straight to your door for free.

Best wishes, Rachel Preston
