Signing babies are happy babies!

Babies who can sign are able to express their needs, wants and feelings. At TinyTalk Baby Signing Classes:

- Learn simple signs and gestures following a weekly theme such as family, bedtime, snack time and more
- Sign, sing, bounce and giggle as you join in with action songs, nursery rhymes and stories
- Experience a wide range of bright and beautiful sensory toys and music
- Develop skills such as listening, vocalising, visual tracking, hand-eye coordination, sharing and turn-taking
- Enjoy some social time to make new friends and recharge your batteries (with refreshments for you) while your little one enjoys some playtime

We also offer:

- TinyTalk Toddlers, for those steady on their feet and ready for more fun, active language-learning
- A wide range of Training Programmes - for parents, childminders, nursery staff and health professionals
